LATE NIGHT SYSTEM MAP

SAN ANTONIO AREA

► EFFECTIVE: 8-18-2025

Every night at 10:30 p.m., 11:30 p.m. and 12:30 a.m., buses from many routes line up together within a few blocks of each other in the downtown area. Once all the buses have arrived and riders have made their transfers, the buses depart.

These outgoing buses travel along a fixed route, turn around, and then return to the 11:30 p.m. lineup, or, in the case of the 12:30 a.m. lineup buses, the VIA garage.

Because these buses need to serve as many riders as possible while still returning downtown or to the VIA garage by 11:30 p.m. or 12:30 a.m., routing is modified or combined with other routes.

There are several daytime routes that continue to provide their regular services (most notably, VIA Primo). These services are also listed on this map.

All lineup routes, including those that serve Express daytime routes, are classified as regular bus service. VIA's regular bus fare is required to ride lineup service. Customers can also use a valid transfer slip or a monthly, daily, 7-day or Semester bus pass.
