LATE NIGHT SYSTEM MAP

SAN ANTONIO AREA

► EFFECTIVE: 8-4-2026

Downtown Lineup Locations

Every night at 10:30 p.m., 11:30 p.m. and 12:30 a.m., buses from many routes line up together within a few blocks of each other in the downtown area. Once all the buses have arrived and riders have made their transfers, the buses depart.

These outgoing buses travel along a fixed route, turn around, and then return to the 11:30 p.m. lineup, or, in the case of the 12:30 a.m. lineup buses, the VIA garage.

Because these buses need to serve as many riders as possible while still returning downtown or to the VIA garage by 11:30 p.m. or 12:30 a.m., routing is modified or combined with other routes.
